The El Paso County Kite Festival, which will be celebrating its 4th year this June. This free, family-friendly event takes place on the Saturday before Father's Day, June 14th, at Falcon Regional Park and has grown significantly, with over 1,000 attendees in 2024.

We are looking to expand our partnerships and are especially hoping to involve more businesses, organizations, vendors, and sponsors from the eastern portion of El Paso County, particularly Falcon. This is a great opportunity for local businesses to connect with the community while supporting a new beloved annual tradition.

We invite businesses and organizations to participate by setting up a booth and providing some sort of activity, game, or other offering to engage with attendees. This is a great way for businesses to reach the community while contributing to a fun, interactive experience for families.
