*We are looking to expand our partnerships and are especially hoping to involve more businesses, organizations, vendors, and sponsors from the eastern portion of El Paso County, particularly Falcon. This is a great opportunity for local businesses to connect with the community while supporting a new beloved annual tradition.*

*We invite businesses and organizations to participate by setting up a booth and providing some sort of activity, game, or other offering to engage with attendees. This is a great way for businesses to reach the community while contributing to a fun, interactive experience for families.*
