new event

07:00 AM - 08:30 AM MST

Here it is! Our September meeting breakdown!

Breakfast sponsor will be Patrick Yeomans with New York Life.

Our main presenter will be none other than 6 representatives from Ent Credit Union.

They will be discussing how Ent supports our local community through meaningful partnerships, financial education, and business empowerment. Don't miss this opportunity to hear real stories of local impact.

See you there,

The Better Business Bureau of Southern Colorado is proud to serve as a trusted partner for both businesses and consumers in our community. At this chamber event, Devon Yerger, BBB's Advertising Manager, will highlight how BBB goes beyond accreditation to support local businesses through visibility, trust-building, and education.

BBB has recently launched AI education classes (AEO AI) designed to help small businesses leverage new technologies like ChatGPT to improve marketing, customer engagement, and efficiency. In addition, BBB continues to provide essential services—from dispute resolution to advertising opportunities—that strengthen our local economy and ensure ethical, trustworthy business practices.

Join us to learn how BBB is empowering businesses with tools, knowledge, and resources to thrive in a rapidly changing world while staying rooted in community values.
