We are the Exchange Club of Falcon, a 501(c)3 non-profit (EIN#264323337) established to serve El Paso County including Colorado Springs.

Our club was chartered in 2006 as part of the National Exchange Club, a service club comprised of over 530 clubs nationwide with 15,000 members.

We host an annual Charity Golf Tournament, which will be held on 12 Jun 2026, at Antler Creek Golf Course in Falcon CO to support our local activities which include Child Abuse Prevention (our National Project), Americanism, Youth Recognition and Community Support activities. The funds raised are used to support all our programs. In the case of Child Abuse Prevention, we support organizations and agencies that participate in child abuse prevention and intervention, such as CASA, TESSA, DHS, Hope and Home, Lutheran Family Services to name a few. We also recognize outstanding youth and those who have overcome adversity to excel with scholarship programs that include local club level, District level and National level competition.

Give-A-Kid-A-Flag is one of the services we do in our Americanism program for 4th of July and Veterans Day parades during the year as well as installation of Freedom Shrines in public buildings and schools. Our Community Support program includes recognition of first responders, teachers, and a helping hand to Veterans in nursing homes as well as other projects.

The golf tournament is our major fund-raising event for the year and sustains our efforts for the entire year. This is our 17th year hosting the event.

As such, we rely on sponsors and donations to make the tournament a success and would like to ask for your support for this year's golf tournament.
